

Please Join our mission to save and positively impact children's lives in USA and around the world. It's essential we join hands to combat hunger, thirst, poverty, illiteracy and diseases. Please, take a few moments to create your team of Ten, who will commit to take action by donating Ten Dollars per month for 12 months. Encourage your team members to create their team of Ten, until we have thousands of team members joining hands to Positively impact our youth, our future and our world!

Another Joy Foundations dedicated Board members and Executives are all volunteers. Please note, 100% of your donation will go towards delivering supplies to children and families in need.
